Dear Mr. Tasoff:

I and my whole family like to first thank you for all the help you gave us for our case. In the long waiting period for the INS decision we were very grateful for your constant consultation. You certainly know the best timing to push things forward. There is no doubt in my mind that we have an excellent lawyer who can help us.

Enclosed are the copies of INS letter on Feb. 20, 1990 and I-94s for your reference. As you have already noticed there is a mistyping case number.

I will keep you informed if we have any change in our status. Please accept our best wish to you and your cooperation.

Sincerely,

Yi-hua Tang
