Dear Sirs:

My wife, kid, and myself would like to extend our sincere gratitude to your office for the successful conclusion of our immigration case. We are taking to heart your advices in order to become, someday, citizens of this country. We will consult your office on any legal matters that we may need advice on - for ourselves or for others we know who may need your sevicees.

Attached are copies of our visas as given by the U.S. Embassy in Manila and photocopies of our stamped passports for your files.

Again, thank you very much.

Sincerely,

Maria's son
