

Dear Richard (or should I call you Mr. Tsoff?),

Thank you so much for your invaluable advice and for spending so much time with me last week. I really appreciated your patience and the comprehensive way you answered all my questions. You went far beyond what I expected to get for \$50 and I want you to know that I have already spread the word about your practice. I thought this and was just perfect for you and might make you smile - all the bloody foreigners that you have to deal with every day - all trying desperately to find some way of staying in your wonderful country.

A
World Of
THANKS!

If you need any help with your marketing plan, please don't hesitate to call me.

Yours sincerely,

Cherian Tsoff
