Dear Ron Jasoff,

2004 came with a Big Bang!
your efforts in filing permanent residence
status for Christina and I were
approved. It ushered in better
opportunities and treatment for us.
My sleepless nights are all over.

My daughter and I are thankful
for having chosen you to represent
us in this challenging endeavor.

This dramatic change in
our status brought jubilation to
my families and friends.

With our gratitude, we pray
for you and your family: long life,
good health, and more prosperous
years so you could help more
clients like us.

We are honored to have joined
your countless clients who were
fortunate to have crossed your
privileged path. Kudos!

Here is a copy of our approval.

Thank you, (Salamat)

Myrna & Christina
