

Dear Richard & Ron,

Thank you for all your help in  
obtaining my citizenship  
this year.

*Just two  
small words*

I don't think  
that anyone  
else would  
have been able  
to do as good 's do as  
you did for me.

*to express  
so much gratitude.*

I was able to compete in the U.S.  
Karate Nationals in time and  
made a U.S. Team. I did this year.  
I feel very fortunate to have  
found such a professional  
good lawyer as your self;  
I cannot thank you enough.

Sincerely,

Irene Andraassen
