Re: Membership Invitation – Top One Percent

Dear Mr. Tasoff:

On behalf of the National Association of Distinguished Counsel, it is my honor to offer you membership in the Nation's Top One Percent.

NADC is an organization dedicated to promoting the highest standards of legal excellence. Members are vetted by a research team, a blue ribbon panel of attorneys, and a judicial review board. Only the Top One Percent of attorneys in the United States are awarded membership in NADC.

NADC initiatives have included lobbying successfully against the imposition of sales tax on legal services and supporting Clemency Project 2014. We also make a point, through our corporate partnerships, to offer our members exclusive discounts and benefits designed to help law practices succeed.

The roster of NADC members truly consists of the leading legends of the legal profession. We invite you to read about their accomplishments and are confident you will feel great pride in joining their ranks.

To accept this honor, please respond by April 28 using the enclosed Member Response Form or online registration information contained therein. I welcome you to NADC and thank you for demonstrating the highest ideals of the legal profession.

Sincerely,
NADC Membership Board

Steven F. Fairlie, Esq.
