

Dear Mr. Richard Tasoff

Oct 5th, 2010

We want to thank you for everything you have done for us; words cannot describe how great full we are. It has been a long and stressful journey, but you saved our family from separating. We can now live our lives peacefully and happy knowing our family will be together. You have been a blessing to our family because not anyone can do what you did. We went to court a few times and your professionalism and organization separates you from the rest of them. We made a wise choice choosing you as our lawyer because we believe if it weren't for you we would probably be separated or deported. Thank you so much for everything you have done and we appreciate everything!

Sincerely,

Sophia and Gianna Hattar
