Re: Section on Administration and Congressional  
Liaison - INS Regions Committee - West

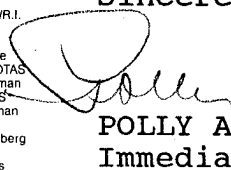

Dear Ron:

I am writing a thank you for your tremendous contributions on behalf of AILA and my administration this year. Your leadership was instrumental in bringing about a better understanding of the issues your committee was designed to cover.

I just wanted you to know how secure I felt in the knowledge that you were there, ready to lend assistance when needed. It has been an incredibly intense year, and it would have been very easy to feel all alone without your kind of contributions.

Many thanks and I look forward to continuing participation!

Sincerely,

  
**POLLY A. WEBBER**  
Immediate Past President
