Dear Richard,

As you know, I have just been summoned by the US Department of Justice to be granted my American Citizenship and attend the Naturalization Oath Ceremony, and I couldn't be any prouder.

Needless to say, I couldn't have done it without you and I still count my blessing for having found you, many years ago. Every step of the way, you were there; every step of the way you counseled and reassured me.

I just wanted to thank you. Your efficiency and meticulousness got me where I am today, a brand new citizen of The United States of America.

Very Best regards,
