Dear Ron,

It was great seeing you yesterday. I wanted to have a chance to thank you again for all your help in getting the case approved in record time. I was pleasantly surprised that the entire process only took us about six weeks to complete. It certainly would not have happened without your help and great counsel.

As you know, yesterday's adjustment of status approval by the INS was the culmination of a long and arduous process (or as I like to call it – a moment twelve years in the making). It is delightfully strange but I indeed woke up a different man this morning.

Per our conversation, I have attached a copy of the I-551 that was stamped on my passport. Hope this helps complete your file records for my particular case.

I look forward to staying in touch with you. Please also give my regards to Jennifer. She has been most helpful throughout this process. I can see why she is such a great asset to your firm.

Best Regards,
